SHARING THE TRADITION OF STEPPING AND SOUTH AFRICAN TRADITIONAL DANCE FOR MORE THAN TWENTY-FIVE YEARS

Founded in 1994 by C. Brian Williams, Step Afrika! is the first professional company in the world dedicated to the tradition of stepping.

The Company blends percussive dance styles practiced by historically African-American fraternities and sororities, African traditional dance and influences from a variety of other art forms.

Performances integrate songs, storytelling, humor and audience participation.
